COMMUNIQUE

VOLUME THIRTY-SIX

SEPTEMBER/OCTOBER 1995

LOG ENTRY

CAPTAIN'S LOG STARDATE 49090.1

First of all, It's good to be back but only thing worst than a Jem'Hadar ship on your tail, is returning to duty with a communique due. Keeping that in mind, I hope you can appreciate what I have put together. As of this stardate, this ship has been in service for nine years. What a complement that is to us, especially when so many clubs never even make it this far. Also coming up real soon is the 29th anniversary of Star Trek and to that I would like to dedicate this communique. I would like to thank WBN Entertainment for their creativity and if you would like to sing along, the words have been put to the tune of *We Didn't Start The Fire*.
